

## GRIMM'S CLASSIC FAIRYTALE... RE-IMAGINED

When Jonah and Ella Mazer are sent to an elite boarding school, their creepy Headmaster seems to know more about the brother and sister than they do themselves. As they try to settle in to their new faculty; mysterious and eerie goings on escalate into their new classmates revealing that they are all descendants from the supernatural and that their true purpose is something far more dark and dangerous than they ever could have imagined - slaying witches.
