I can not believe it.

82 01:08:26:09 NORM: Phew! Tell me it's not
as bad as it looks.

83 01:08:28:10 JUDD: It's worse.

84 01:08:30:19 NORM: Hi, Kelly.

85 01:08:31:21 KELLY: Hey, Norm.

86 01:08:33:05 NORM: Well, you're not the only one.

87 01:08:35:09 NORM: Everybody in this county
is seeing tornados in their soup.

88 01:08:38:25 NORM: Look, I don't know how you
people deal with this
from year to year.

89 01:08:41:22 NORM: I came here from the big
city for a life of ease,
and I feel like I walked
into a bull's eye.

90 01:08:46:09 KELLY: If you go back,
take me with you.

91 01:08:48:26 NORM: Chicago? Girl, I thought you
liked this country life?

92 01:08:52:11 KELLY: Yeah, sure, Norm.

93 01:08:53:26 KELLY: When I said I couldn't
wait to try Union Street Polish,
I was just kidding.

94 01:08:56:26 JUDD: Kelly, don't talk like that.

95 01:08:58:04 KELLY: I'm sorry, I'm a little
stressed right now.

96 01:09:01:19 KELLY: All our livestock are dead.

97 01:09:04:05 NORM: All of them?

98 01:09:05:14 JUDD: All but one pregnant mare.

99 01:09:10:00 NORM: Sorry about that, buddy.

100 01:09:11:11 KELLY: It's not the end
of the world, right?

101 01:09:14:11 KELLY: Our insurance will cover
it. Right, Dad?

102 01:09:20:22 KELLY: Dad?

103 01:09:26:13 KELLY: Is there something I
should know?

104 01:09:30:21 JUDD: Honey, you remember the
twister back in '08?

105 01:09:34:01 KELLY: Yeah.

106 01:09:34:26 JUDD: The insurance company said
our buildings weren't up to
code, so our claim was denied.

107 01:09:41:18 KELLY: Wait, what?

108 01:09:43:13 JUDD: I didn't tell you, because
I didn't want you to worry.

109 01:09:46:23 KELLY: How did we get the money?

110 01:09:51:00 JUDD: I had to use Mom's
life insurance.

111 01:09:56:08 KELLY: That was my college fund.

112 01:09:59:01 JUDD: Honey, I'm sorry.
I thought I could make it up.

113 01:10:06:03 JUDD: Kelly?
KELLY: What?

114 01:10:08:09 JUDD: Wh-- where are you going?

115 01:10:11:09 KELLY: I'm going to Vicki's.
JUDD: Why?

116 01:10:14:00 KELLY: To help her decide
what courses to take.
At university!

117 01:10:19:24 CUT TO KELLY RIDING HER BIKE
DOWN THE ROAD

118 01:10:24:24 NORM: Man, I don't know
what to say.

119 01:10:29:00 JUDD: Just tell me you got the booze.

120 01:10:34:04 NORM: In the trunk.

121 01:10:57:03 NORM: Judd, you gotta let it go.
You gotta stop living
in the past, man.

122 01:11:02:14 NORM: I mean, you just gotta
let it go.

123 01:11:04:05 JUDD: You tell me what's so good
about the present?

124 01:11:06:07 JUDD: The farm's a wreck,
I'm dead broke. My daughter
hates me.

125 01:11:13:06 NORM: Sounds like a bad
country western song.

126 01:11:15:18 NORM: Look, Kelly is a good girl. She gonna get over it.

127 01:11:19:04 JUDD: No, you don't know her.

128 01:11:20:09 JUDD: She's been dreaming about leaving Landau all her life.

129 01:11:24:03 NORM: Well, I gotta-- guess I gotta little bit to do with that.

130 01:11:29:01 JUDD: I'd appreciate it if you stopped filling her head with all those big city dreams.

131 01:11:33:07 NORM: You got to tell people about the best hot dog place in Chicago.

132 01:11:35:27 NORM: The Filling Station on Union Avenue.

133 01:11:38:01 NORM: Gus has been in business for what? 50 years?

134 01:11:42:01 JUDD: What does this have to do with hot dogs?

135 01:11:45:04 NORM: Look, man, things happen, it's just bad luck.

136 01:11:50:15 NORM: I mean, you act like this damn thing is chasing after you personally.

137 01:11:53:23 JUDD: You didn't see it.

138 01:11:54:21 NORM: See what?
JUDD: A tornado.

139 01:11:56:20 NORM: Been there, done that.

140 01:11:58:03 JUDD: No, this isn't your run-of-the-mill, garden-variety twister.

141 01:12:00:18 JUDD: I seen a lot of things, Norm, but this was not right. This was different.

142 01:12:03:26 NORM: Different?

143 01:12:04:23 JUDD: Yeah, it was just hanging over that government compound down there, just hovering.

144 01:12:09:01 JUDD: And all these weird lights
in the clouds and it was
shooting out these lightning bolts.

145 01:12:12:04 NORM: Man, this beer thing
was a bad idea.

146 01:12:14:20 JUDD: This got nothing to do
with drinking!

147 01:12:16:13 JUDD: I'm not nuts,
I know what I saw!

148 01:12:19:08 NORM: Why you yelling at
me? I'm trying to help you.

149 01:12:24:24 JUDD: How the hell are
you gonna help me?

150 01:12:27:25 JUDD: You're gonna help me?
You couldn't even hack it
as a big city cop,

151 01:12:30:1 JUDD: and you're sitting there
telling me you're gonna help me?

152 01:12:31:19 NORM: Judd, you don't know
what you're talking about.

153 01:12:33:04 JUDD: No, I don't know what I'm
talking about, because you never
told me why you left the city.

154 01:12:36:17 NORM: You need to shut up.

155 01:12:37:15 JUDD: Why did you come to Landau?

156 01:12:40:21 JUDD: And don't give me that
garbage that you came down here
for that laid back country living.

157 01:12:45:13 NORM: I think it's time for me to go.

158 01:12:46:19 JUDD: Maybe that's a good idea.

159 01:12:47:29 NORM: The beer is on me.

160 01:12:50:00 JUDD: Big deal.

161 01:12:51:27 NORM: Look, give me a call
when you sleep it off.

162 01:12:55:22 JUDD: Well, don't hold your breath.

163 01:12:59:25 NORM: Have a good one, buddy.

184 01:14:41:08 DENISE: That's it, that's what I saw!

185 01:14:43:20 DENISE: I've never seen anything like it?

186 01:14:46:08 GAIL: That makes two of us.

187 01:14:50:11 GAIL: I'm chasing it.

188 01:14:51:21 DENISE: Let's do it.
GAIL: No, Denise.

189 01:14:54:04 GAIL: This could be dangerous.

203 01:16:08:22 GAIL: Here, see if you can get more video.

204 01:16:12:23 DENISE: I can't believe a

celebrity like you doesn't
already have an assistant.

205 01:16:17:05 DENISE: Harry always told me I
was wasting my time with
websites like yours.

206 01:16:22:23 DENISE: If he'd listened,

216 01:17:30:21 KELLY: Dad, I'm 17. I do know
what alcohol smells like.

217 01:17:35:25 JUDD: Honey, I don't know

221 01:17:48:24 KELLY: Why not?

it's a little loud.

223 01:17:52:18 KELLY: You're so old.

224 01:17:54:11 JUDD: What?

225 01:17:55:11 KELLY: I said, you're so old.

229 01:18:12:18 JUDD: In case you've forgotten,
I'm still your father.

232 01:18:22:28 JUDD: You're so dramatic, your
life isn't over, it's just beginning.

233 01:18:26:11 KELLY: Dad, what do you expect
me to do? Spend the rest
of my life on a farm?

234 01:18:30:27 JUDD: What's wrong with that?

235 01:18:33:04 KELLY: What's wrong with that?
JUDD: Yeah, what's wrong with that?

236 01:18:35:02 KELLY: Dad, I want to be a
scientist, not a damn shepherd.

237 01:18:41:10 KELLY: What?

260 01:20:56:27 JUDD: I'll be back, please!

261 01:21:01:16 KELLY: Dad?

262 01:21:06:25 KELLY: Great.

263 01:21:15:29 EXTERIOR SHOT OF ARMSTRONG'S TEAM BATTLING ALIEN TORNADO AT POWER STATION

264 01:22:07:18 COX: All wind now, close.

265 01:22:10:02 ARMSTRONG: It's a system for returns. We can't get any off it!

266 01:22:15:27 COX: I don't like being the bait.

267 01:22:18:28 ARMSTRONG: I love being the bait.

268 01:22:39:19 ARMSTRONG: Tell me we have something.

269 01:22:44:22 PARNELL: Another one bites the dust.

270 01:22:51:13 ARMSTRONG: This is not good, Mr. Parnell. Please take care of it.

271 01:22:57:20 JUDD: Time to get out of Dodge.

272 01:22:59:19 FADE OUT

273 01:22:00:20 FADE IN TO EXTERIOR OF POWER
PLANT, STORM HAS PASSED

274 01:23:15:04 GAIL: Who are these guys?

275 01:23:17:03 DENISE: Power company, maybe?

276 01:23:19:20 GAIL: Not dressed like that.
I smell FBI.

277 01:23:22:20 PARNELL: Can I help you, ladies?

278 01:23:24:03 GAIL: No, we're just tourists.

279 01:23:26:00 PARNELL: I'm gonna have to ask
you to do that somewhere else.

280 01:23:28:22 GAIL: You don't look like
a rent-a-cop.

281 01:23:32:28 PARNELL: I'm a federal agent.

282 01:23:35:01 GAIL: Oh, so you're trying
to hide something, huh?

283 01:23:38:28 GAIL: What is it, some new kind
of twister? Caused by what?
Runaway global warming?

284 01:23:44:01 PARNELL: I don't know what
you're talking about.

285 01:23:46:07 PARNELL: Now are you going to
put that away or am I gonna have
to confiscate it?

286 01:23:51:18 GAIL: Are you serious?

287 01:23:53:08 PARNELL: Yes.

288 01:23:57:06 GAIL: Uh, yeah. Ow!

289 01:23:57:19 GAIL: I am aware of the Patriot
Act, but that doesn't give you
the right to take away
my own personal property.

290 01:24:02:22 NORM: Is there a problem here?

291 01:24:04:00 DENISE: Oh, Sheriff Mackey,
thank goodness. This fascist
goon just stole my friend's phone.

292 01:24:10:00 NORM: Is that what happened, ma'am?

293 01:24:11:25 GAIL: Yeah.

294 01:24:12:26 PARNELL: I'm a federal agent and this is a national security investigation.

295 01:24:16:18 GAL: National security?

296 01:24:18:08 ARMSTRONG: Can I help you, folks?

297 01:24:20:06 NORM: Are you the person in charge?

298 01:24:21:16 ARMSTRONG: That's right, Agent Armstrong.

299 01:24:23:08 ARMSTRONG: I'm with the federal task force in charge of infrastructure security.

300 01:24:26:28 ARMSTRONG: These are my credentials.

301 01:24:29:26 NORM: Integrated Threat Response Unit? Never heard of that.

302 01:24:34:13 NORM: I thought tornados were FEMA territory.

303 01:24:36:26 ARMSTRONG: They are, until they destroy a public utility. That's when they call us.

304 01:24:42:1 ARMSTRONG: Sheriff, I'm sorry for the misunderstanding, but we've had massive structural damage.

305 01:24:48:07 ARMSTRONG: And I'll appreciate it if you could please keep your people back,

306 01:24:51:02 ARMSTRONG: at least 100 meters from the site. For they're safety, of course.

307 01:24:56:04 NORM: Sounds reasonable.

308 01:24:57:23 ARMSTRONG: Gentlemen, let's get back to work.

309 01:24:59:13 DENISE: You are not gonna let him do this?

310 01:25:01:12 NORM: Come on, come on.

311 01:25:02:23 GAIL: That guy was lying through his teeth.

312 01:25:04:26 NORM: Look, he made a good case,
but now I want to know what
you're doing here in the first
place.

313 01:25:08:23 DENISE: Gail is a tornado expert from the city.

314 01:25:11:20 DENISE: I told her what was
going on down here, and she came
to see for herself.

315 01:25:16:12 NORM: Hm, really?

316 01:25:18:04 GAIL: Yes, you've had a lot of
very strange weather happening
lately, sheriff.

317 01:25:22:05 GAIL: And I don't know if you've
Noticed, but it hasn't been
making the news.

318 01:25:25:28 NORM: I have noticed.

319 01:25:27:01 GAIL: Well, I think that these
guys are probably responsible
for that.

320 01:25:32:25 NORM: Come on, let's go.
Everybody back to your cars.

321 01:25:34:13 NORM: Let's go.
Let's get out of here.
Everybody's got a job to do.

322 01:25:44:11 GAIL: No, these goons
compromised our civil rights.

323 01:25:47:03 GAIL: I mean, it was ridiculous.
They were--

324 01:25:49:14 NORM: Miss Curtis, this is not
Chicago. Things are different
around here. Understand?

325 01:25:55:23 GAIL: I'm just trying to figure
out what's going on with these storms.

326 01:25:58:25 GAIL: The storms that nobody
seems to be talking about.

327 01:26:00:2 NORM: Well, that makes two of us.

328 01:26:02:01 JUDD: Hey, Norm, we gotta talk.
Something really weird
is going on around here.

329 01:26:06:29 NORM: You're telling me?
Gail Curtis, Judd Walker.

330 01:26:10:2 NORM: This is the farmer
I was telling you about.

331 01:26:12:22 NORM: Miss Curtis is a
meteorologist from our old
neighborhood.

332 01:26:15:21 GAIL: Actually former storm
chaser turned climate blogger.

333 01:26:19:27 JUDD: Climate blogger?

334 01:26:21:12 GAIL: Yeah, I write for a website.

335 01:26:22:14 JUDD: I know what a blog is.

336 01:26:26:17 JUDD: Me and Kelly got run off
the road by a black SUV.

337 01:26:29:06 JUDD: Looked like it had
government people in it or
something like that.

338 01:26:31:18 JUDD: They were chasing another
one of those twisters.

339 01:26:33:08 NORM: I know, I had a run in
with them myself.

340 01:26:35:2 JUDD: I forgot to tell you
about my cows.

341 01:26:38:0 NORM: Your cows?

342 01:26:39:28 JUDD: The cows, they always
face north/south. They got a compass in their brain,

343 01:26:42:27 JUDD: and before that storm,
they were walking around in circles,

344 01:26:45:01 JUDD: like their compasses were
going all haywire.

345 01:26:47:05 JUDD: I'm telling you, Norm,
something very strange is going on.

346 01:26:49:19 GAIL: Wait, there's no
scientific evidence that
undulates are sensitive to
electromagnetism.

347 01:26:53:28 JUDD: Undu-- what?

348 01:26:55:13 GAIL: Cattle.

349 01:26:56:23 JUDD: Oh. No offense, lady,
but all those fancy words,
they don't mean anything to me.

350 01:27:01:05 JUDD: I have farmer's intuition.

351 01:27:02:10 GAIL: Oh, of course, right.
Who needs science?

352 01:27:05:11 GAIL: Cutting open pigs and
checking their entrails was just
fine for our ancestors, right?

353 01:27:09:10 NORM: Look, look, why don't the
two of y'all just take it down
a notch, okay?

354 01:27:12:22 NORM: I want to know what's
going on around here as much
as you do,

355 01:27:15:09 NORM: but Judd, why don't you
take Miss Curtis back over
to the farm.

356 01:27:19:01 NORM: Show her around,
and the two of you guys come up
with some answers.

357 01:27:22:11 JUDD: I don't think so,
I'm no babysitter.

358 01:27:23:25 GAIL: Excuse me, what's that
supposed to mean?

359 01:27:26:14 NORM: Look, I would do it
myself, but, man, you can see I
am swamped with paper work.

360 01:27:31:01 JUDD: Okay, my truck's outside.
It's not a limousine,
so you have to rough it.

361 01:27:35:03 GAIL: That's okay, cowboy,
but I know how to drive.

362 01:27:38:02 GAIL: My daddy let me get my
license when I was 16.
He's very progressive that way.

363 01:27:42:13 DENISE: Sorry, Judd, but a
little respect might be nice.

364 01:27:49:04 JUDD: You owe me. Big time.

365 01:27:56:23 Don't let me go

Let me plea
Don't let me know
Let me know
Let me know that you hate me

366 01:28:14:24 KELLY RECORDS ALIEN
TRANSMISSIONS ON HER LAPTOP

367 01:28:53:28 KELLY: Dad!
JUDD: Yeah.

368 01:28:55:10 KELLY: You've got to hear this.
Oh, my god.

369 01:28:59:12 JUDD: What?

370 01:29:00:12 KELLY: Gail Curtis?

371 01:29:04:08 JUDD: You know her?

372 01:29:05:18 KELLY: I had to do a report on
tornados for science class.

373 01:29:08:28 KELLY: Her blog is like the
hangout for storm chasers.
Hi, I'm Kelly.

374 01:29:15:13 GAIL: Hi, I heard your farm got
hit, and I think whatever
did it is something new.

375 01:29:22:00 GAIL: Something that we've
never seen before.

376 01:29:24:19 KELLY: He told you about our
livestock, didn't he?
Well, I have something better.

377 01:29:29:21 KELLY: Come on.

378 01:29:35:14 KELLY: Come on.

379 01:29:51:18 GAIL: Wow.

380 01:29:55:15 KELLY: What do you think?

381 01:29:57:06 GAIL: I think I want to hear it again.

382 01:29:58:28 KELLY: Well, I checked out your
site, and there was a twister
that was reported

383 01:30:04:01 KELLY: about three miles from
here at the exact same time
I recorded this.

384 01:30:08:13 KELLY: Maybe it means something.

385 01:30:11:18 GAIL: Maybe it does.
Can you make me a copy?

386 01:30:14:14 KELLY: Way ahead of you.

387 01:30:19:03 JUDD: Whoa, whoa, whoa, whoa.
What are you gonna do with this?

388 01:30:23:28 GAIL: Have it analyzed.

389 01:30:25:00 JUDD: By who?

390 01:30:26:04 GAIL: I have a friend in the
city, he's a freelance code monkey.

391 01:30:28:23 GAIL: He's big into cryptography.

392 01:30:30:09 JUDD: No offense, but we don't
know you from Adam.

393 01:30:32:00 KELLY: Yes, we do.

394 01:30:34:13 JUDD: No, we don't.

395 01:30:36:06 JUDD: If we're gonna give this
to anybody, we're gonna give it
to Norm Mackey.

396 01:30:39:16 JUDD: He'll hand it over
to the proper authorities.

397 01:30:41:05 GAIL: Oh, you mean, like those
thugs that nearly ran you off
the road?

398 01:30:44:28 DENISE: Listen to her, Judd.
She knows her stuff.

399 01:30:47:10 JUDD: Denise, if I want your
opinion, I'll ask for it.

400 01:30:50:12 KELLY: You-- you're just so--

401 01:30:55:11 GAIL: Okay, Denise,
I think we better leave.

402 01:30:57:19 JUDD: Good idea.

403 01:30:58:18 DENISE: Hm, I hope your happy.
Interfering with science. Oh!

404 01:31:04:16 GAIL: Listen, when you change
your mind, here's my information.

405 01:31:08:25 GAIL: I'm at the Stay and Save.

406 01:31:33:24 DENISE: Did you hear what he
said to me? The rudeness!

407 01:31:39:07 DENISE: His wife would have
slapped him upside the head.

408 01:31:42:15 GAIL: He's married?

409 01:31:43:22 DENISE; Well, was, she's dead
now. Suppose I shouldn't blame him.

410 01:31:48:13 DENISE: Lord knows losing Harry
did a number on me.

411 01:31:53:07 CUT TO BLACK SUV RACING BY FARM

412 01:31:55:21 DENISE: It's more of those men
from the power station.

413 01:31:58:21 GAIL: Now where are they off
to in such a hurry?

414 01:32:00:16 DENISE: Are we following them?

415 01:32:01:29 GAIL: Looks like it.

416 01:32:03:14 DENISE: Another car chase.
This is getting exciting.

417 01:32:10:21 JUDD: I'm sorry, honey.
I just don't think it's a good
idea for us to trust everybody,

418 01:32:16:05 JUDD: especially some
celeb-utante from the city.

419 01:32:19:23 JUDD: For all we know, she might
be working with the feds
from last night.

420 01:32:22:07 KELLY: That's your problem, Dad.
You don't trust anybody
or anything.

421 01:32:27:25 JUDD: That's not true.
I trust my instincts.

422 01:32:31:28 JUDD: Trust the ground under my
feet, I trust hard work, and I trust you.

423 01:32:37:21 KELLY: Really?
You didn't trust me enough
to tell me that we're broke.

424 01:32:44:05 JUDD: Honey, don't be like that.

425 01:32:47:18 KELLY: Just walk away.

426 01:32:53:21 CUT TO EXTERIOR OF GAIL'S SUV
CHASING THE BLACK SUV

427 01:32:54:19 GAIL: Come on, car.
When are they gonna make
a hybrid with some power?

428 01:32:58:09 DENISE: I hear that.

429 01:33:03:08 DENISE: They're turning up ahead.

430 01:33:24:11 BOTH VEHICLES STOP AS
ALIEN TORNADO APPROACHES

431 01:33:29:16 DENISE: Oh, my lord!

432 01:33:35:12 GAIL POINTS CAMERA PHONE AT
TORNADO, BANGING IT

433 01:33:37:22 DENISE: What's the matter?

434 01:33:38:27 GAIL: Some kind of interference.

435 01:33:40:27 DENISE: Like a really strong magnet?

436 01:33:44:09 GAIL: Judd's cows.

437 01:33:47:05 DENISE: It's coming this way.

438 01:33:48:11 GAIL: I see it.

439 01:33:56:09 TORNADO BEARS DOWN ON GAIL AND DENISE

440 01:33:58:03 DENISE: Wait.

441 01:33:59:22 GAIL: No!

442 01:34:02:16 GAIL: Denise!

443 01:34:08:07 FADE OUT

444 01:34:08:24 FADE IN TO ESTABLISHING
OF THE FARM, JUDD ENTERS THE BARN

445 01:34:27:11 JUDD: Hey, what is it?

446 01:34:41:15 CUT TO ESTABLISHING OF MOTEL

447 01:34:31:06 CUT TO INTERIOR OF MOTEL,
GAIL CRYING

448 01:35:01:09 GAIL: Who is it?

449 01:35:03:13 JUDD: Judd Walker.

450 01:35:13:01 GAIL: What do you want, cowboy?

451 01:35:16:01 JUDD: I was a little rough on
you earlier, I want to apologize.

452 01:35:21:24 JUDD: Think your friend
still wants to see this?

453 01:35:28:01 CUT TO EXTERIOR OF NORM'S SQUAD
CAR RACING DOWN COUNTRY ROAD

454 01:35:30:14 NORM: I'm on it. Heading there now.

455 01:35:40:28 JUDD: Dead?

456 01:35:44:22 GAIL: Yeah.

457 01:35:47:12 JUDD: I've known Denise
most of my life.

458 01:35:51:00 GAIL: I barely knew her at all
and I'm a wreck.

459 01:36:01:26 JUDD: You okay?

460 01:36:04:03 GAIL: Yeah.

461 01:36:09:00 JUDD: She predicted this.

462 01:36:13:01 GAIL: Really?

463 01:36:14:03 JUDD: Yeah. Her husband, Harry,
he was killed by a tornado

464 01:36:18:05 JUDD: about three years ago and,
well, I'm not quite sure
what happened.

465 01:36:22:01 JUDD: She got a warning on a
website and got into the cellar
in time and he didn't.

466 01:36:39:24 JUDD: All these years she's been
telling everybody that one day
they were gonna be reunited by a
twister.

467 01:36:42:15 JUDD: I saw something on the
farm that kind of scared me.

468 01:36:45:03 GAIL: What would scare a guy like you?

469 01:36:49:10 JUDD: Well, I took pictures,
it's on the flash drive.

470 01:36:51:16 GAIL: Here?

471 01:36:57:16 GAIL: Oh, my god, that's horrible.

472 01:37:00:24 JUDD: What are all those pins?

473 01:37:03:25 GAIL: Confirmed tornado sightings from the last 48 hours.

474 01:37:08:18 JUDD: You think there's a pattern?

475 01:37:10:10 GAIL: If there is, I haven't found it yet.

476 01:37:22:04 BARNEY: Gail Curtis?

477 01:37:25:10 GAIL: Hey, Barney. Listen, I just sent you an audio file.

478 01:37:19:03 GAIL: Could you help me out and analyze it for me? Do it as fast as you can.

479 01:37:23:05 BARNEY: Well, I'm glad to see you, too.

480 01:37:37:02 BARNEY: All right, I got it. Now exactly what am I supposed to be looking for?

481 01:37:42:25 GAIL: Anything and everything. I think it's some sort of signal or code.

482 01:37:47:29 BARNEY: So we're onto something big. All right, I'll throw the phone book at it.

483 01:37:52:22 BARNEY: Give me a couple of hours. See what I can come up with.

484 01:37:55:03 GAIL: Thanks, Barney, you're the best.

485 01:37:58:13 CUT TO EXTERIOR OF NORM'S SQUAD CAR PULLING OVER

486 01:38:06:09 CUT TO NORM'S POV OF BURNING WEST BEND

487 01:38:07:06 CUT TO INTERIOR OF MOTEL ROOM

488 01:38:25:29 JUDD: Looks like all these are near government land or public utilities.

489 01:38:31:06 JUDD: This one here that wiped out my farm, it's right down from a NORAD tracking station.

490 01:38:34:26 JUDD: And this one, there's a big power plant there.

491 01:38:38:02 JUDD: And this one right here, that's an Air Force base.

492 01:38:41:23 GAIL: And Denise was killed near a reservoir.

493 01:38:44:20 GAIL: Somebody is testing our strengths and our weaknesses.

494 01:38:47:04 GAIL: Figuring out the best way to bring us down.

495 01:38:48:29 JUDD: Well, what does the livestock have to do with that theory?

496 01:38:51:22 GAIL: Maybe they're testing our biology, too.

497 01:38:55:14 JUDD: Come on, this is too much.

498 01:38:57:16 JUDD: I mean, I can buy the idea that maybe this is some sort

499 01:39:00:02 JUDD: of secret government weather weapon that got out of control

500 01:39:02:26 JUDD: or maybe even the Chinese or somebody like that

501 01:39:04:19 JUDD: are sending these things over to mess with us,

502 01:39:06:21 JUDD: but tornados trying to figure out our biology? No, that's--

503 01:39:09:28 GAIL: I know it sounds crazy.

504 01:39:10:26 JUDD: It sure does, and I don't like the idea

505 01:39:12:26 JUDD: that we might be the only two lunatics in the asylum.

506 01:39:24:08 NORM: Mackey.

507 01:39:25:08 JUDD: Listen, Norm, something very strange is going on with these tornados.

508 01:39:27:23 JUDD: You gotta get somebody to call the governor or someone like that.

509 01:39:29:26 NORM: I'm in West Bend.

Tornado took out half the town.

510 01:39:33:00 CUT TO ALIEN TORNADO EMERGING

511 01:39:25:06 JUDD: Norm?

512 01:39:37:08 JUDD: Norm!
Twister just took out West Bend.

513 01:39:40:19 GAIL: Let's go.

514 01:40:56:00 GAIL: Well, his car is here.

515 01:40:59:05 JUDD: Yeah, but he's not in it.

516 01:41:08:17 JUDD: Norm!

517 01:41:11:05 GAIL: Sheriff Mackey!

518 01:41:13:13 JUDD: Norm!

519 01:41:16:11 NORM: I'm over here! Judd! Help!

520 01:41:21:07 JUDD: All right, we're here, buddy!

521 01:41:23:02 NORM: My foot is stuck
under this damn tree.

522 01:41:25:16 JUDD: You okay?

523 01:41:26:16 NORM: I'm just stuck.

524 01:41:27:19 JUDD: Anything broken?

525 01:41:28:16 NORM: No, I'm all right.

526 01:41:32:13 JUDD: What happened, buddy?

527 01:41:37:08 NORM: Those tornados...
they're attacking, they're looking for a fight.

528 01:41:42:09 JUDD: What are you doing out here?

529 01:41:43:27 NORM: I got a report those MIBs
were scoping out the place.

530 01:41:47:13 NORM: So I thought I'd just come
out and take a look.

531 01:41:50:28 NORM: When the two of you
bury the hatchet?

532 01:41:57:10 GAIL: Hey, Barney, that was fast.

533 01:41:59:12 BARNEY: Gail, what's going on?
Are you messing with me, girl?

534 01:42:02:09 GAIL: What do you mean?

535 01:42:03:24 BARNEY: I just ran your file through some pattern matching software and I got a huge hit.

536 01:42:07:11 GAIL: Great, so what is it? NASA, Air Force, what?

537 01:42:10:10 BARNEY: It's not one of ours, that's for sure.

538 01:42:12:08 GAIL: Oh, so it's foreign?

539 01:42:14:17 BARNEY: You could say that.

540 01:42:16:13 GAIL: So who is it, China, North Korea, who?

541 01:42:18:18 BARNEY: Try Alpha Centauri.

542 01:42:20:04 GAIL: Come on, Barney, I need you to be serious, please.

543 01:42:23:16 BARNEY: I'm dead serious! Have you ever heard of the Walsh signal?

544 01:42:26:18 GAIL: Yeah, 1977, some guys from SETI thought

545 01:42:30:02 GAIL: that they intercepted some Alien transmission, but it never repeated, right?

546 01:42:24:24 BARNEY: Bingo. That file you sent me, it's an exact match.

547 01:42:40:02 JUDD: Mutilated cattle, men in black? So what's next? Flying saucers?

548 01:42:51:12 JUDD: Speak of the devil.

549 01:43:06:27 ARMSTRONG: What did you do?

550 01:43:10:09 GAIL: What did we do?

551 01:43:11:23 ARMSTRONG: Two of my men are dead, Miss Curtis.

552 01:43:15:11 ARMSTRONG: You were there sticking your nose where it doesn't belong. Now this.

553 01:43:26:29 PARNELL: They've never interfered with us before.

554 01:43:29:02 JUDD: Who's they?

555 01:43:30:08 GAIL: The signal is extra
terrestrial, isn't it?

556 01:43:32:28 NORM: Extra terrestrial?
You talking about like ET?

557 01:43:35:13 ARMSTRONG: Who told you that?

558 01:43:36:29 JUDD: What does it matter
who the hell told him?

559 01:43:39:18 JUDD: Those things are headed
for Chicago, we better start
warning people.

560 01:43:42:05 ARMSTRONG: You got your facts all wrong, Mr.?

561 01:43:43:29 JUDD: Judd Walker.

562 01:43:45:23 ARMSTRONG: This is a meteorological phenomenon,
and we're studying it.

563 01:43:53:25 ARMSTRONG: Armstrong.
Yes, I'm on the scene now.
The damage is total.

564 01:44:01:03 ARMSTRONG: I think we can
confirm hostile intent.

565 01:44:04:28 ARMSTRONG: And we have one more
complication. The Curtis woman
knows about the nimbus.

566 01:44:10:27 ARMSTRONG: I don't know. Sir,
they already are suspicious.

567 01:44:16:26 ARMSTRONG: I think that's gonna
make them all the more suspicious. Yes.

568 01:44:22:13 ARMSTRONG: Yes, I understand.

569 01:44:27:28 NORM: Hey, what do you think you're doing?
This is my jurisdiction.

570 01:44:30:10 GAIL: Meteorological phenomena?
That's why you're having us arrested?

571 01:44:33:21 ARMSTRONG: We're not arresting
you. We're putting you in protective custody.

572 01:44:37:10 ARMSTRONG: To keep you from
running around the countryside,
getting yourselves killed.

573 01:44:41:26 JUDD: Hey, no!

574 01:44:45:23 NORM: Listen, mister--

575 01:44:46:29 ARMSTRONG: No, you listen to me.
This situation is way above your
pay grade.

576 01:44:52:03 ARMSTRONG: I make one phone call
and you are out of a job.
Is that what you want? Hm?

577 01:45:00:02 ARMSTRONG: No, I didn't think so.

578 01:45:16:11 CUT TO CHICAGO BUS PULLING UP,
PICKING UP KELLY

579 01:46:12:04 ALIEN TORNADO ATTACKS BUS,
SNATCHING PASSENGERS

580 01:47:21:20 FADE INTO NORM'S OFFICE,
COMMANDEERED BY ARMSTRONG'S TEAM

581 01:47:33:18 ARMSTRONG: It appears our cowboy
lives on a farm next door to the
tracking station,

582 01:47:39:23 ARMSTRONG: where the alpha
incident occurred.

583 01:47:45:02 ARMSTRONG: He and the girl
know about the nimbus.

584 01:47:49:21 ARMSTRONG: So either there's
been a massive security breach,

586 01:47:54:17 ARMSTRONG: or they've discovered
something we haven't seen.

587 01:48:00:05 ARMSTRONG: The committee wants
us to go take a look.

588 01:48:06:06 ARMSTRONG: And that is what
we're going to do.

589 01:48:08:18 ARMSTRONG: Sheriff, you have
a lovely office.
Thank you for the use of it.

590 01:48:11:18 NORM: Look, I don't know who
hell you think you are, but I
represent the people of this
county.

591 01:48:19:18 ARMSTRONG: And I represent the
people of these United States.
Who's got the bigger job?

592 01:48:27:23 NORM: Bigger job.

Bigger jackass!

593 01:48:33:21 DEPUTY: Hang on, I ran the plates on that black SUV. I got nothing.

594 01:48:38:21 NORM: Thank you.

595 01:48:41:19 JUDD: What's going on, Norm?

596 01:48:43:19 NORM: You two must really have a bug up somebody's butt.

597 01:48:45:15 GAIL: Just get us out of here.

598 01:48:46:21 NORM: Look, I can't do that. This is my job. This badge is all I got.

599 01:48:49:18 GAIL: People's lives are at stake, and you're worried about your damn job?

600 01:48:52:07 NORM: Look, this Armstrong is as serious as a heart attack,

601 01:48:54:19 NORM: and the federal government is behind this.

602 01:48:56:09 NORM: What do you think that you can do that they can't?

603 01:48:57:19 GAIL: Warn people.

604 01:48:59:19 JUDD: This thing is escalating, man.

605 01:49:01:14 JUDD: Do you understand this is more than a couple of isolated twisters we're talking about?

606 01:49:04:21 NORM: Judd, what are you talking about? Mars? ETs?

607 01:49:07:06 NORM: This is way beyond my area of expertise.

608 01:49:09:11 NORM: Now what do you think the two of you can do that the federal government can't do better?

609 01:49:12:19 GAIL: Oh--

610 01:49:14:12 JUDD: Well, if you're not gonna do anything, just at least get a hold of my daughter, will you?

611 01:49:19:04 NORM: Look, I will call Kelly.

612 01:49:42:02 KELLY: Ugh.

613 01:49:43:16
EXTERIOR OF BUS WRECKAGE, KELLY
WALKS AWAY AS PHONE BUZZES ON GROUND

614 01:49:53:11 NORM: Kelly-- as soon as you--

615 01:49:57:04 NORM: Call me, it's about your
dad. It's an emergency.

616 01:50:02:03 JUDD: She's in danger.
We all are.

617 01:50:07:20 JUDD: You gotta find her, Norm.
Please?

618 01:50:10:10 NORM: I'll find her.

619 01:50:32:22 EXTERIOR OF NORM APPROACHING
WALKER FARM ALREADY OCCUPIED BY
ARMSTRONG'S MEN

620 01:50:57:22 NORM: Man, what the hell
do you think you doing?

621 01:50:59:21 ARMSTRONG: Sheriff, don't make
me tell you again.
Stay out of our way.

622 01:51:03:03 NORM: Where is Kelly?

623 01:51:06:09 ARMSTRONG: She's gone.
It looks like there's trouble
in the heartland.

624 01:51:13:13 NORM: Chicago, these things
are going to Chicago.

625 01:51:16:18 COX: Sir, I think you should see
this. I pulled up her recent
activity log,

626 01:51:21:09 COX: and this is what popped
up on our blog.

627 01:51:24:07 CUT TO KELLY'S LAPTOP

628 01:51:24:11 KELLY: This is Kelly Walker,
I'm recording this for posterity.

629 01:51:28:13 KELLY: A couple hours ago, I
intercepted what I think might
be an extra terrestrial radio
signal.

630 01:51:34:19 KELLY: Here, check it out.

631 01:51:38:19 KELLY: Pretty cool, huh?

632 01:51:41:03 KELLY: Well, I think it might have something to do with the tornados we've been having.

633 01:51:44:21 KELLY: But if I can prove that actual aliens are messing with our atmosphere,

634 01:51:49:14 KELLY: well, I'll be up there with Einstein, Newton, Galileo. Bigger even!

635 01:51:55:05 KELLY: And if that's not scholarship material, well, I don't know what is.

636 01:51:59:19 ARMSTRONG: Parnell, Cox, find her.

637 01:52:02:10 PARNELL: And?

638 01:52:03:11 ARMSTRONG: For now, just find her.

639 01:52:07:21 NORM: So what you gonna do, arrest a 17-year-old girl?

640 01:52:10:07 ARMSTRONG: Don't worry, sheriff, she'll be safer with my men, than she will be on her own.

641 01:52:15:01 NORM: What's your big plan?

642 01:52:16:12 ARMSTRONG: We have contingencies.

643 01:52:18:10 NORM: Contingencies?

644 01:52:19:22 ARMSTRONG: There is a chain of command, sheriff. I follow it. I suggest you follow it, too.

645 01:52:26:19 ARMSTRONG: Just be grateful we let you tag along. Excuse me.

646 01:52:32:11 NORM: There is no plan.

647 01:52:34:10 NORM: You just making this stuff up as you go along, hoping this whole thing will blow over.

648 01:52:38:21 ARMSTRONG: Blow over. Oh, that's clever. Be careful, sheriff.

649 01:52:46:15 ARMSTRONG: Because clever isn't always smart.

650 01:52:52:23 CUT TO JAILHOUSE
651 01:53:06:22 JUDD: Chicago!
Are you sure?

652 01:53:09:23 NORM: Look, I found it at the
farm with some of Armstrong's guys.

653 01:53:12:18 NORM: They found a video
that she posted on the web.

654 01:53:14:19 NORM: She knows about the ETs
and she can prove it.

655 01:53:18:01 NORM: He sent some of his men
out to get her.

656 01:53:19:20 JUDD: You gotta let us out, Norm.

657 01:53:21:18 NORM: Judd, there's something
I need to tell you.

658 01:53:24:06 JUDD: What?

659 01:53:25:05 NORM: When you said that I
couldn't hack it in the big
city, you was telling the truth.

660 01:53:31:22 JUDD: What are you talking about?

661 01:53:33:20 NORM: We were supposed to go
pick up a suspect.

662 01:53:36:20 NORM: I was covering the back of
the building. I didn't see a
gun. I froze. I let him go.

663 01:53:47:07 NORM: After that, everybody said
I couldn't be trusted.

664 01:53:52:20 GAIL: So you ran away.

665 01:53:55:04 NORM: Look, following Armstrong
wasn't the first dumb decision
I've ever made.

666 01:53:59:19 JUDD: Well, now you have a
chance to make a right one.
Let us out.

667 01:54:04:19 EXTERIOR OF KELLY WALKING DOWN
EMPTY ROAD, BLACK SUV APPROACHES

668 01:54:22:18 COX: Kelly Walker?

669 01:54:25:18 KELLY: I've never heard of her.

670 01:54:27:14 COX: I'm Agent Cox,
this is Agent Parnell. Your father sent us.

671 01:54:31:18 KELLY: Wh- where is he?

672 01:54:33:12 COX: Chicago.

673 01:54:34:20 KELLY: What is he doing in Chicago?

674 01:54:36:14 COX: He's helping us
with our investigation. Here, get in.

675 01:54:39:22 COX: We'll take you to him.
Or you could walk? It's your choice.

676 01:54:55:14 KELLY: Guys, do we have
to lock the doors?

677 01:54:58:21 COX: Never trust a stranger, kid.

678 01:55:00:06 CUT TO JAIL HOUSE

679 01:55:01:21 NORM: You're out now, what do you do?

680 01:55:02:19 GAIL: Alert the media, we
contact radio stations, TV
stations, whoever will listen
to us.

681 01:55:06:04 JUDD: I'm with you there,
but my daughter comes first.

682 01:55:07:19 NORM: Okay, I got an idea. I'll
contact the radio stations,

683 01:55:09:22 NORM: because they're more
likely to listen to a cop.

684 01:55:11:14 NORM: Hey, look, take the keys
to the cruiser.

685 01:55:13:18 NORM: Anything happen to my car,
it comes out of my salary.

686 01:55:15:20 JUDD: Here's the keys to my
truck. It's still out on Connector 3.

687 01:55:17:17 NORM: All right, take my cell
phone. If I hear anything, I'll call you.

688 01:55:20:20 JUDD: Great, thank you.

689 01:55:29:00 NORM: Operator, emergency.
This is Sheriff Mackey.

690 01:55:31:22 NORM: I need the phone numbers
for every major radio station in Chicago.

691 01:55:34:21 CUT TO ESTABLISHING OF CHICAGO

692 01:55:39:15 DJ: Well, I'm sure our listeners
will have a lot to say about
this issue, so let's take some calls, huh?

693 01:55:46:11 DJ: Oh, right, I see we have a
Sheriff Norm Mackey from Landau
County on line three.

694 01:55:51:20 DJ: Hello, sheriff,
you're on the air.

695 01:55:53:09 NORM: Hello, this is Sheriff Mackey.

696 01:55:54:17 NORM: I am calling about the
tornados that we're having,

697 01:55:56:22 NORM: that the news services
saying that we not having.

698 01:55:58:06 DJ: Yeah, actually, our topic
today is the deficit, sheriff.

699 01:56:02:22 DJ: You know, we all wish to
weather the coming storm,

700 01:56:06:13 DJ: financially speaking,
as best we can.

701 01:56:08:04 DJ: Let's try to stay on point, shall we?

702 01:56:10:11 NORM: But these things are aliens,
and that's why they're denying everything.

703 01:56:12:22 NORM: This is Area 51 all over again.

704 01:56:14:20 DJ: I see.

705 01:56:16:05 NORM: Look, this is not a joke.
I don't know what they want,

706 01:56:18:15 NORM: I don't know where they're from,
but this does not matter--

707 01:56:21:01 DJ: Gary, you're supposed to be
screening these calls.

708 01:56:24:01 NORM: They will block up anybody that mentions--

709 01:56:29:18 DJ: If you can't do your job,
I'll find somebody who can.

710 01:56:31:22 NORM: Hello? Hello?

711 01:57:00:14 EXTERIOR OF ALIEN TORNADO STRIKING CHICAGO

712 01:57:06:14 EXTERIOR BUS WRECKAGE,
NORM'S SQUAD CAR APPROACHES

713 01:57:06:23 JUDD: There's the bus.

714 01:57:15:08 JUDD: Kelly?

715 01:57:33:23 GAIL: Hey, Judd, maybe she
wasn't even on this bus.

716 01:57:37:09 JUDD: Yes, she was.

717 01:57:39:22 GAIL: Okay, don't jump to any conclusions.
There were no bodies.

718 01:57:43:01 GAIL: Maybe everybody got out safely?

719 01:57:47:13 GAIL: Norm.

720 01:57:48:07 NORM: It didn't work.

721 01:57:49:22 GAIL: Who did you call?

722 01:57:51:01 NORM: I called a radio station.
As soon as they put me on the
air, and I mentioned aliens,

723 01:57:55:16 NORM: it was open season on the crazy man.

724 01:57:57:17 GAIL: Yeah, we need proof.

725 01:58:00:11 NORM: Proof?

726 01:58:01:07 NORM: How do I get proof that
aliens sent twisters to destroy Chicago?

727 01:58:05:10 GAIL: You have to try again. Go to channel 37,

728 01:58:09:00 GAIL: it's the station I worked
for when I was a storm chaser.

729 01:58:11:10 GAIL: Use my name. Tell them
there's gonna be a major tornado

730 01:58:14:17 GAIL: outbreak heading towards
Chicago. I have to warn people.

731 01:58:17:09 GAIL: Tell people to get down
into their basements. And stay there.

732 01:58:20:09 NORM: Oh, okay, look I will--

733 01:58:22:19 GAIL: Norm? Norm!

734 01:58:31:16 ARMSTRONG: Mr. Walker, Miss
Curtis, I presume?

735 01:58:34:14 GAIL: Armstrong?

736 01:58:36:02 ARMSTRONG: Tell Judd we have his daughter.

737 01:58:37:20 JUDD: Where is she?

738 01:58:39:17 ARMSTRONG: We're taking her to
one of our safe houses in the city,

739 01:58:42:23 ARMSTRONG: until you two turn yourselves in.

740 01:58:44:19 JUDD: If we're right, Armstrong,
there aren't gonna be any safe
houses in Chicago or anywhere else.

741 01:58:49:10 ARMSTRONG: That's just the type
of hysterical paranoia we're
trying to prevent, Mr. Walker.

742 01:58:56:00 ARMSTRONG: Let's both be
reasonable. Put our cards on the table.

743 01:58:59:23 ARMSTRONG: We know about the
livestock mutilations. You know about the nimbus.

744 01:59:06:15 ARMSTRONG: We know about the
signal your daughter recorded.

745 01:59:09:10 JUDD: The nimbus?
Is that what you call them?

746 01:59:13:08 ARMSTRONG: It's a code name.

747 01:59:14:23 JUDD: What do they want?

748 01:59:16:11 ARMSTRONG: We don't communicate
with them directly. They're not
exactly on our wave length.

749 01:59:22:10 ARMSTRONG: Look, the connections
you've made are making my bosses
very nervous.

750 01:59:29:11 ARMSTRONG: And I've been
instructed to prevent any
further leakage.

751 01:59:32:01 JUDD: How long do you think
it's gonna take for someone else
to make the same connections?

752 01:59:36:13 ARMSTRONG: I don't deal in
hypotheticals. All I can do is
prevent a panic.

753 01:59:43:23 ARMSTRONG: But it seems like

everything you do is trying to incite one.

754 01:59:48:19 JUDD: Armstrong, I'm gonna get my daughter, if anything happens to her--

755 02:00:06:11 ARMSTRONG: Mm, that's a problem.

756 02:00:12:08 ARMSTRONG: The pattern's changed again. Yes.

757 02:00:17:21 ARMSTRONG: I think we're looking at the worst case scenario. Mm-hm.

758 02:00:23:15 ARMSTRONG: Yes, I'm on my way to the airport now. Yeah.

759 02:00:28:08 CUT TO EXTERIOR OF BLACK SUV DRIVING

760 02:00:28:08 KELLY: I'm hungry. Can you pull over, please?

761 02:00:31:23 COX: Pull over here and I'll run across the street and grab her a taco.

762 02:00:34:12 KELLY: I'm getting out, too.

763 02:00:35:09 COX: No way, kid.

764 02:00:36:06 KELLY: I have to pee.

765 02:00:37:10 COX: Not happening.

766 02:00:38:02 KELLY: I told you I have to pee.

767 02:00:42:05 COX: Can't you wait?

768 02:00:43:18 KELLY: This is a government-issued vehicle, right?

769 02:00:46:09 COX: So?

770 02:00:47:14 KELLY: So, I watch TV. You guys have to sign for these things,

771 02:00:52:15 KELLY: which means you're responsible for any damages,

772 02:00:55:22 KELLY: like urine stains on the upholstery, just for example.

773 02:00:59:19 COX: You try one thing, okay? And I will sh--

774 02:01:03:09 KELLY: You'll what? You'll spank me? In your dreams, loser.

775 02:01:11:04 COX: Parnell.

776 02:01:26:08 COX: Go right over here.

777 02:01:27:06 KELLY: Help! I'm being kidnapped!
Please, let go of me!

778 02:01:30:07 PARNELL: Back up! Back up, guys!
Official federal business.

779 02:01:33:08 MAN: Back off!

780 02:01:36:06 COX: Back up! Federal agent!

781 02:01:38:11 MAN: Whoa, whoa, gun, gun!

782 02:01:39:13 COX: Back up! Federal agents!
She's that way, let's go.

783 02:01:46:16 CUT TO INTERIOR/EXTERIOR PATROL CAR DRIVING

784 02:01:55:11 JUDD: Did you get through?

785 02:01:57:05 KELLY: Dad?

786 02:01:58:04 JUDD: Kelly!

787 02:01:59:03 KELLY: I tried calling,
but no one answered. Why are you on Norm's phone?

788 02:02:02:05 JUDD: Are you okay?

789 02:02:03:15 KELLY: Yeah, I'm fine, Dad.
I'm sorry that I left without telling you.

790 02:02:07:00 KELLY: I just, I wasn't thinking.

791 02:02:08:17 JUDD: Don't worry about it,
honey. Where are you?

792 02:02:10:20 KELLY: Chicago. And this tornado hit,
and killed everyone on our bus,

793 02:02:15:08 KELLY: and then these guys in suits showed up.

794 02:02:17:14 KELLY: They said that you were
with them and then I went with them.

795 02:02:20:15 JUDD: Don't listen to them.
They're lying about everything.
They're trying to cover this up.

796 02:02:23:10 JUDD: Are you still with them?

797 02:02:24:21 KELLY: No, I ditched them.

798 02:02:26:13 JUDD: Where are you now?

799 02:02:27:13 GAIL: Careful, they could be monitoring the call.

800 02:02:29:08 JUDD: Honey, don't say anything, they might be listening.

801 02:02:31:14 JUDD: We got to figure out where to meet.

802 02:02:33:16 KELLY: I'm gonna be-- I'm gonna be at Norm's favorite restaurant.

803 02:02:37:07 JUDD: Norm's favorite restaurant. Great idea, honey. Go there and wait for us.

804 02:02:41:14 KELLY: Dad? Please hurry.

805 02:02:45:04 JUDD: I will, baby, I will.

806 02:02:50:06 GAIL: So, where does Norm like to eat?

807 02:02:52:06 JUDD: The Filling Station on Union Avenue.

808 02:02:55:01 GAIL: Best hot dogs in Chicago.

809 02:02:57:10 JUDD: That's right. That's right.

810 02:03:00:01 EXTERIOR OF FILLING STATION, KELLY WAITS

811 02:03:18:14 KELLY: Oh, my god!

812 02:03:19:12 EXTERIOR OF ALIEN TORNADO
ATTACKING BALL PARK

813 02:03:23:11 KELLY: This is not good.

814 02:03:34:15 EXTERIOR OF ALIEN TORNADO
ATTACKING BALL PARK

815 02:03:34:10 EXTERIOR OF ALIEN TORNADO
RESCINDING FROM BALLPARK ATTACK

816 02:03:44:17 KELLY: Dad!

817 02:03:47:04 KELLY: Dad! Dad!

818 02:03:48:07 JUDD: Kelly!

819 02:03:49:15 KELLY: Oh, my god. I'm so sorry. I prom--

820 02:03:54:15 KELLY: I promise not to scare you like that again.

821 02:03:56:06 JUDD: That's okay.

822 02:03:56:14 GAIL: Oh, my god.

823 02:03:57:03 KELLY: I saw it, it was like a

tornado, but it was different.
It had three funnel clouds.

824 02:04:01:08 GAIL: One storm?

825 02:04:02:17 KELLY: One storm, three funnels,
all interconnected.

826 02:04:05:17 GAIL: How do they do it?
How do they manipulate
air flow so precisely?

827 02:04:10:00 KELLY: There was this signal
that came to me on the bus,

828 02:04:12:11 KELLY: and I rebroadcast the
signal and it just went away.

829 02:04:15:0 GAIL: Are you saying that a
tornado responded to this signal directly?

830 02:04:18:08 KELLY: Yes.

831 02:04:19:17 GAIL: Are you sure, Kelly?

832 02:04:20:16 KELLY: Yes, it saved my life.

833 02:04:22:09 GAIL: Oh, my god.

834 02:04:23:12 JUDD: What?

835 02:04:25:00 GAIL: Whatever technology
they're using to actually spawn
these twisters,

836 02:04:28:07 GAIL: the commands must be
coming from somewhere else.

837 02:04:30:15 KELLY: They're not from here,
are they? They're alien.

838 02:04:33:15 KELLY: And this is their signal
to stop. Dad, this is first contact.

839 02:04:38:12 JUDD: So they can be controlled.

840 02:04:39:14 GAIL: I think so.

841 02:04:40:23 JUDD: What do we do now?

842 02:04:42:06 GAIL: Now we find a transmission
tower and we amplify the signal.

843 02:04:45:16 JUDD: Let's go.

844 02:04:51:21 EXTERIOR/INTERIOR HELICOPTER
FLYING OVER DAMAGED STADIUM

845 02:04:54:08 ARMSTRONG: The bastards took out the ballpark.

846 02:05:03:14 CUT TO ALIEN TORNADO ATTACKING CHICAGO

847 02:05:06:01 ARMSTRONG: Oh, no.

848 02:05:09:10 <GRAPHIC> INITIATE OMEGA PROTOCOL

849 02:05:13:06 ARMSTRONG: There's been a change in plan.

850 02:05:16:10 ARMSTRONG: Take us to the
nearest television station.

851 02:05:20:00 ARMSTRONG: We've got an announcement to make.

852 02:05:30:14 NORM: Come on, baby. I know you can go
faster than this.

853 02:05:35:02 GAIL: Barney, I need you
out of that apartment.

854 02:05:37:08 BARNEY: You know I'm agoraphobic,
and the city is in chaos.

855 02:05:40:09 GAIL: I don't want to hear it,
Barney, just get your butt to
Channel 37 as fast as you can,

856 02:05:44:02 GAIL: and bring everything
you have on that signal.

857 02:05:46:16 KELLY? Channel 37?

858 02:05:48:00 GAIL: I used to work there.
Station manager owes me a favor.

859 02:05:55:09 MIKE: You guys can go ahead
home, take care of the family.

860 02:05:57:21 MIKE: All right, all of you, just follow them.

861 02:05:59:23 MIKE: Take care now. Be careful.

862 02:06:02:04 MIKE: Griff, I understand, just
keep us on the air, all right?

863 02:06:05:16 GAIL: Mike?

864 02:06:06:16 MIKE: Gail, oh, honey, god.
Boy, you haven't lost your sense of timing.

865 02:06:11:03 MIKE: The Willis Tower just went
down, do you believe that?
It's like 9/11 around here now.

866 02:06:14:18 MIKE: I mean, I have my crew, I
sent them home to their families.

867 02:06:17:02 MIKE: It's just me and a skeleton crew right now.

868 02:06:18:10 GAIL: Listen to me, remember when I brought you that exclusive coverage from the Macon County storm?

869 02:06:23:06 GAIL: And you said to me, if ever I needed a favor, just say it?

870 02:06:25:12 MIKE: I remember that, yeah.

871 02:06:26:16 GAIL: I'm here to collect.

872 02:06:27:19 MIKE: Please, honey, honey. I'm a little busy right now, can it wait?

873 02:06:30:22 GAIL: It's all related.

874 02:06:32:07 MIKE: Well, it better be. Homeland Security, they just commandeered my studio.

875 02:06:37:04 GAIL: Homeland Security?

876 02:06:39:02 MIKE: For some public announcement they want to make.

877 02:06:41:14 ARMSTRONG: I have to give you people credit. You are persistent.

878 02:06:47:06 MIKE: Wait, wait, wait a minute. You two know each other?

879 02:06:50:23 GAIL: If by no, you mean dislike intensely, then yes.

880 02:06:53:13 NORM: Sheriff's Department, I need to see somebody in charge here.

881 02:06:57:04 KELLY: Norm!

882 02:06:57:22 NORM: Kelly.

883 02:06:58:15 GAIL: Mike, listen to me. They are not from Homeland Security.

884 02:07:01:15 GAIL: They are not telling you the truth.

885 02:07:03:03 GAIL: They are trying to cover this thing up.

886 02:07:04:20 ARMSTRONG: The situation has changed, Miss Curtis.

887 02:07:07:04 ARMSTRONG: We're about to go on
the air to warn the public.

888 02:07:10:19 ARMSTRONG: Congratulations,
you got what you wanted.

889 02:07:13:12 JUDD: You're gonna tell the
people what's really going on?

890 02:07:16:01 ARMSTRONG: We're gonna tell them
what they need to know to survive.

891 02:07:19:01 ARMSTRONG: I thought you said five minutes?

892 02:07:21:05 MIKE: Five minutes, seven
minutes, what the hell?

893 02:07:23:04 MIKE: All right, come on,
let's do this, guys.
All right, this is live.

894 02:07:28:05 MIKE: It's gonna be live now.
Five, four, three, two--

895 02:07:32:20 ARMSTRONG: My fellow citizens, a
massive storm system is bearing down

896 02:07:37:03 on the Chicago metropolitan area.

897 02:07:39:22 ARMSTRONG: Multiple F5 tornados
with winds in excess of 350
miles an hour are reported.

898 02:07:46:15 ARMSTRONG: We are asking you to
find shelter in basements
if you have them,

899 02:07:51:13 ARMSTRONG: and turn off all
electronic equipment.

900 02:07:53:17 ARMSTRONG: I repeat, turn off
all electronic equipment. This is not a drill.

901 02:08:01:01 ARMSTRONG: For your own safety,
and the safety of your families, stay indoors.

902 02:08:08:03 ARMSTRONG: Stay where you are until further notice.
Thank you.

903 02:08:16:20 ARMSTRONG: Thank you very much.

904 02:08:20:19 MIKE: We're out. All right.

905 02:08:23:08 GAIL: Turn off all electronic equipment? EMP, you're
going nuclear!

906 02:08:28:05 NORM: You're gonna nuke a major city?

907 02:08:30:16 ARMSTRONG: Relax, no one is nuking anything.

908 02:08:32:23 MIKE: This can't be happening. This isn't right here.

909 02:08:36:05 KELLY: That's not the only thing. We're being attacked.

910 02:08:40:02 MIKE: Attacked? By who?

911 02:08:41:18 KELLY: Aliens.

912 02:08:43:07 MIKE: Aliens?

913 02:08:47:01 KELLY: What? Suddenly you're all afraid to say it?

914 02:08:51:21 ARMSTRONG: The girl is right, of course.

915 02:08:54:08 ARMSTRONG: We've known about their existence for years.

916 02:08:58:17 ARMSTRONG: Data packets, quantum state vectors.

917 02:09:02:23 ARMSTRONG: Traveling through the universe near light speed. No physical bodies.

918 02:09:09:04 ARMSTRONG: No need for space ships.

919 02:09:11:12 NORM: We're being attacked by ghosts?

920 02:09:14:08 ARMSTRONG: More like energy creatures. They manipulate our weather,

921 02:09:19:09 ARMSTRONG: because it's the only thing they can manipulate in our environment.

922 02:09:23:14 NORM: Who or why are they doing this?

923 02:09:25:04 ARMSTRONG: Maybe they were attracted to our planet because of radio emissions.

924 02:09:31:07 ARMSTRONG: But something's changed.

925 02:09:33:18 ARMSTRONG: Maybe our bandwidth is so clogged with so much information,

926 02:09:37:16 ARMSTRONG: that they can't hear themselves think. Maybe they'd had enough.

927 02:09:44:03 ARMSTRONG: Armstrong. Yes, will advise. Go on Security Con 1.

928 02:09:50:03 GAIL: Armstrong, we can stop this.
Kelly recorded a transmission.

929 02:09:53:22 GAIL: She proved it could turn them back.

930 02:09:56:06 ARMSTRONG: I'm only gonna tell
you this once, Miss Curtis.

931 02:09:59:02 ARMSTRONG: Park your mouth or
you're gonna spend the rest of
this emergency in handcuffs.

932 02:10:03:22 ARMSTRONG: Or maybe that's what
you want. That goes for all of you.

933 02:10:08:06 NORM: Oof, would I--

934 02:10:09:22 MIKE: Who the hell does he think he is?

935 02:10:11:09 EXTERIOR OF ALIEN TORNADO
ATTACKING CHICAGO

936 02:10:18:11 EXTERIOR OF CHANNEL 37

937 02:10:22:07 COX: NORTHCOM reports network has gone hot.

938 02:10:24:16 COX: 15 minutes to antenna synchronization.

939 02:10:27:11 ARMSTRONG: 15 minutes to antenna synchronization.

940 02:10:34:01 GAIL: Oh, Barney, you made it, thank god.

941 02:10:37:04 BARNEY: Well, I almost didn't.
Friggin' storm took my hat off.

942 02:10:40:22 BARNEY: It's Katrina times ten out there!

943 02:10:42:15 BARNEY: Gail, you know I'm agoraphobic,
and I don't leave my basement.

944 02:10:47:00 GAIL: I'm sorry to put you through that, Barney.

945 02:10:51:03 BARNEY: Look, I got another one
of those signals on disk.

946 02:10:55:03 BARNEY: Someone spanning the
whole band of that EM spectrum.

947 02:10:57:23 GAIL: Not someone, something.

948 02:10:59:15 KELLY: You recruited another one?

949 02:11:01:11 BARNEY: Who's this?

950 02:11:01:23 GAIL: This is Kelly. She's the
one who got the first signal on tape.

951 02:11:04:13 BARNEY: Good work.

952 02:11:05:14 KELLY: Yeah, let me hear it.

953 02:11:07:09 BARNEY: Okay.

954 02:11:11:14 KELLY: Okay.

955 02:11:16:10 BARNEY: That's what I have.

956 02:11:21:04 KELLY: It's not the same.

957 02:11:34:10 BARNEY: The signals are instructions. Then this must be a whole different command set.

958 02:11:39:01 KELLY: If we want to know what they're talking about, we have to find a pattern.

959 02:11:50:16 ARMSTRONG: Something's coming in from NORCOM.

960 02:11:53:01 COX: Synchronization complete, ten seconds to pulse activation.

961 02:11:57:10 ARMSTRONG: All right, everybody, unless you want your circuits fried, turn off all electronic equipment now.

962 02:12:04:10 GAIL: Wait a minute.

963 02:12:05:08 GAIL: The only thing other than a nuke, with that much power, would be a network of ultra wide band radar rays.

964 02:12:11:15 GAIL: That's what you're doing, isn't it?

965 02:12:12:23 ARMSTRONG: That's classified. How the hell did you know that?

966 02:12:16:23 GAIL: You can't classify basic scientific principles.

967 02:12:20:10 COX: Three seconds.

968 02:12:22:10 COX: Two. One.

969 02:12:32:14 COX: Whoa, whoa, whoa.

970 02:12:33:18 GAIL: Goddamn it. They got the power.

971 02:12:35:03 PARNELL: Whoa!

972 02:12:36:13 ARMSTRONG: Stay calm.

973 02:12:38:02 GAIL: Goddamn it.

974 02:12:39:14 JUDD: This part of your plan?

975 02:12:41:05 ARMSTRONG: Sit wraps, did we get them?

976 02:12:43:16 COX: Checking now. Sir, NORTHCOM reports there's a problem.

977 02:12:46:13 ARMSTRONG: What?

978 02:12:47:17 COX: The EMP did not work.

979 02:12:49:01 COX: Satellite imagery shows that the storms are actually increasing in strength.

980 02:12:52:18 ARMSTRONG: Look, no, no, no, that's-- That's inconceivable.

981 02:13:01:01 ARMSTRONG: No.

982 02:13:03:19 EXTERIOR SHOT OF ALIEN TORNADO ATTACKING CHICAGO

983 02:13:16:01 COX: Sir, NORTHCOM reports the storm should be right on top of us.

984 02:13:18:17 MIKE: Everybody in the basement! Come on, people, let's go, now!

985 02:13:22:14 KELLY: Wait, give me a second!

986 02:13:25:17 BARNEY: Okay, you need to switch those up, because if you don't, then we're activating more.

987 02:13:31:03 MIKE: Come on, people, let's go, now, now!

988 02:13:33:03 JUDD: Stop, stop! Hold on, man! We're all on the same team now.

989 02:13:37:20 JUDD: They're on to something, just hear them out.

990 02:13:40:12 GAIL: We can use the station's transmitter to broadcast the alien signal back to them.

991 02:13:45:12 GAIL: Send them away! It worked once before, maybe it'll work again.

992 02:13:48:03 ARMSTRONG: It doesn't make sense. The pulse, the pulse should have killed them.

993 02:13:52:17 JUDD: Maybe it did. Maybe that's why the storms are getting worse.

994 02:13:55:23 JUDD: You cut off the head
and the body keeps moving.

995 02:13:58:11 GAIL: And now they're out of control.

996 02:14:02:17 ARMSTRONG: Fine. Try your signal.

997 02:14:08:04 GAIL: Guys, I need that file.

998 02:14:10:04 KELLY: Won't work.

999 02:14:11:21 GAIL: What do you mean?

1000 02:14:13:04 KELLY: It means I was wrong.
That wasn't the command for stop.

1001 02:14:16:23 KELLY: It was just a directional
vector, latitude and longitude.

1002 02:14:20:13 KELLY: It's just gonna send that
tornado right back to Landau.

1003 02:14:22:19 JUDD: How do you know that?

1004 02:14:24:15 KELLY: Because we compared the
different signals, and we found
patterns, enough to use
frequency analysis and make
educated guesses about syntex.

1005 02:14:34:13 KELLY: It's just a simple
binary cipher that uses Base 11
positional notation.

1006 02:14:39:02 KELLY: That's it!

1007 02:14:42:17 JUDD: That sounds great, honey.
Can you give me that in English?

1008 02:14:45:17 GAIL: It means they cracked the alien code.

1009 02:14:47:08 JUDD: Right.

1010 02:14:47:22 BARNEY: It was mostly her, your
daughter is a natural at this.

1011 02:14:52:03 JUDD: Of course, she is,
she takes after her mother.

1012 02:14:53:17 KELLY: No, I take after you.

1013 02:14:56:17 GAIL: So, Barney, what about
the second signal? Will that one work?

1014 02:14:59:17 BARNEY: Yeah, it should.

1015 02:15:01:16 ARMSTRONG: What are we waiting

for? If we can talk to them, why don't we shut the bastards down?

1016 02:15:06:23 BARNEY: I have the kill command ready. I just need access to the transmitter.

1017 02:15:10:06 GAIL: Mike!

1018 02:15:12:14 BARNEY: Mike! The transmitter?

1019 02:15:16:01 MIKE: Yeah. Yeah, I can patch us into the main control booth from here.

1020 02:15:21:01 BARNEY: All right.

1021 02:15:24:04 MIKE: Just a second. All right, here.

1024 02:15:32:17 BARNEY: Okay, double check that.

1025 02:15:34:11 KELLY: All right.

1026 02:15:35:15 BARNEY: Okay. I hope this works.

1027 02:15:39:00 JUDD: Why wouldn't it?

1028 02:15:40:14 BARNEY: Oh, I said that out loud. I'm sorry. Performance angst high.

1029 02:15:47:05 MIKE: All right, you're good to go.

1030 02:15:48:18 BARNEY: All right, we're all ready.

1031 02:15:54:15 JUDD: Did you send it?

1032 02:15:56:09 BARNEY: No, I needed another second.

1033 02:15:58:16 MIKE: I've got flashlights.

1034 02:15:59:16 BARNEY: I didn't have any time.

1035 02:16:00:15 MIKE: I've got flashlights here. Here, here. All right.

1036 02:16:06:20 MIKE: Gail, it must be the gennie. Nobody's been up there in years.

1037 02:16:09:10 GAIL: So what does that mean?

1038 02:16:10:15 MIKE: It means that we're out of gas, propane or whatever it uses.

1039 02:16:13:12 JUDD: Kelly, go to the basement.

1040 02:16:15:07 KELLY: Dad, I'm not leaving.

1041 02:16:16:12 JUDD: Listen to me, you did a fantastic job, great, but please go to the basement now, please?

1042 02:16:21:16 KELLY: Okay.

1043 02:16:22:23 JUDD: Thank you. An operation this size must be diesel. Where is it?

1044 02:16:27:09 MIKE: It's on the roof.

1045 02:16:28:11 NORM: On the roof? Who designed this place? The guy that designed the Titanic?

1046 02:16:30:20 JUDD: Is it a separate fuel shed?

1047 02:16:32:14 MIKE: No, yes-- Well, I'm not sure. Well, I haven't been up there.

1048 02:16:35:14 JUDD: All right, calm down. Mike, just show me where you think it is.

1049 02:16:39:08 MIKE: This way.

1050 02:16:40:22 GAIL: Stay put, Barney.

1051 02:16:52:15 MIKE: I almost forgot this place was here. Yeah, here, right here.

1052 02:16:56:09 MIKE: Here, that's it. Move it.

1053 02:16:59:21 JUDD: All right, keys. Come on!

1054 02:17:07:08 MIKE: All right, all right! Okay, oh, all right.

1055 02:17:16:13 MIKE: Okay, this is gonna work. This is-- it's gonna work.

1056 02:17:22:17 COX: Sir, we just got a clean up and contain order from committee.

1057 02:17:26:11 COX: All other priorities rescinded. They mention the Curtis woman specifically.

1058 02:17:31:19 ARMSTRONG: Give me that. This is Armstrong, repeat last order.

1059 02:17:45:01 COX: What do we do?

1060 02:17:47:02 ARMSTRONG: These people cracked a code we didn't even see. They're trying to save lives.

1061 02:17:53:15 ARMSTRONG: They're doing a better job than we have.

1062 02:17:59:05 ARMSTRONG: Gentlemen, sometimes orders aren't meant to be followed.

1063 02:18:03:18 ARMSTRONG: If you have a problem with that, say so now.

1064 02:18:09:14 ARMSTRONG: All right, let's saddle up. Let's go do some good.

1065 02:18:17:14 ARMSTRONG: It looks like you could use some help.

1066 02:18:19:08 NORM: Sounds like a good idea to me.

1067 02:18:21:16 GAIL: No, thanks, I got it.

1073 02:18:33:18 JUDD: You do that. Are the stairs down here?

1074 02:18:35:02 MIKE: Yeah, down at the end of the hall.

1075 02:18:36:02 GAIL: Judd, hurry.
