

## **FEAR ISLAND**

### **Synopsis:**

Five students on spring break meet at a secluded island cabin for a weekend getaway. After a night of music, drinking and getting re-acquainted the five friends are shocked to find the cabin's caretaker murdered and the only boat off the island gone. Stranded on the island they become the prey of a mysterious killer who seems bent on revenge for something the friends have done. They must defend themselves and find their tormentor or face death one by one.
