THE NEW THRILLER
FROM THE AUTHOR OF
"PHONE BOOTH"
AND "CELLULAR"

"Please pick up the phone or he's going to kill me!" begs a desperate voice on, screenwriter, Joel Brant's answering machine. He deletes the message, thinking it's a twisted joke: until the caller is found dead. When a series of phone messages and dead bodies imitates the crime in Joel's only successful script, he becomes the prime suspect. Pursued by the cops, taunted by a brilliant and vicious killer, Joel must unravel the mind of a murderer and find the connection to his own script...or become the last victim.
