51 INT. ZEBUBB AND BREWSTER ARCHITECTS - DAY

51

Ted works at a Draughtmans' table. Across the office, the boss -- BRYAN ZEBUBB -- watches him from his office. A large Krispy Kreme box sits open on the desk behind him.

A SECRETARY crosses to Ted and whispers in his ear, nodding towards the office, as she moves away she is whistling 'SMILE' to herself. Ted looks at her quizzically. Before making his way across the floor and knocking.

ZEBUBB

Come in.

TED

You wanted to see me, Bryan?

ZEBUBB

Mister Zebubb. Shut the door, Strangelove.

Ted looks confused as he sits.

TED

Mister Zebubb? Say, you mind if I grab a donut--

Zebubb slams shut the box.

ZEBUBB

Do I mind? Yes I do. That's right, Strangelove. Things are changing around here. Starting with this..

He pushes a blueprint across the desk.

TED

My Library Design? I don't understand..

*
*

ZEBUBB

Here are my notes.

*

He throws a thick file across to Ted.

TED

But you said so yourself. You said--

ZEBUBB

Forget what I said, Strangelove. I've changed my mind.

(MORE)

ZEBUBB (CONT'D)

Now you'd better shape up. I've got my eye on you.

TED

Mr.Zebubb, I put everything into that.You know I did--

*
*

ZEBUBB

That's all for now. I got my eye on you, see? No room for passengers on my ship, you understand? You got two days to fix this. Now get back to work.

Ted heads back to his desk -- confused and hurt. Zebubb watching him through his office blind.

52 INT. WICKER ELEMENTARY, CLASSROOM - DAY

52

Miss Howie sets mental arithmetic problems for the class on the white board.

Ruby stares hard at Einstein, she is a picture of concentration.

MISS HOWIE

Now, lets assume that I have thirty six hundred and forty eight apples, and I need to divide them between twelve grocers--

SCOOTER

Three hundred and four.

MISS HOWIE

Very good Joshua, everyone gets three hundred and four apples. What if I say that it takes six hours to fly from the capital of Peru--

Einstein's hand reaches out and balls up a piece of paper. He looks at his hand -- he is not doing this.

SCOOTER

Lima.

MISS HOWIE

Okay... to the capital of Uruguay--

SCOOTER

Montevideo.
